

ABOUT THIS PLAN

Envision Shakopee is a community-oriented, consensus-focused comprehensive planning process designed to inspire all who live, work, play, and learn in the City of Shakopee to take part in defining a clear vision for the future of our city.

The **Envision Shakopee 2040 Comprehensive Plan** will be a **guidebook for the city's vision and blueprint for the next 20 years**. It will reflect our shared concerns and aspirations, anticipate future growth and redevelopment needs, guide decision making and address our responsibility to future generations.

THE PLANNING AREA

Shakopee has experienced significant growth in recent decades. Envision Shakopee will focus on continuing the success of our city and examine existing conditions and future plans for Jackson and Louisville Townships as part of the city's strategic plan for growth and future development.

WHY IS THE PLAN NEEDED?

The city's existing plan was written nearly a decade ago in 2008. Given the changes to the way we live, the economy, technology, communication, and people's attitudes, beliefs and expectations, it's important that the city has a plan reflective of today's realities. We must understand the needs of our diverse, growing community to plan for our shared success. Envision Shakopee will be a visionary, community-driven effort to create a comprehensive plan for the benefit of all who live, work, play and learn in Shakopee.

HOW WILL THE PLAN BE USED?

The final plan will be consulted by the City Council, the Planning Commission, city staff and other government entities as they assess the character, location, and extent of public investments and private development proposals. Envision Shakopee will ensure that decisions are being made to guide growth and development in Shakopee that adhere to a shared vision authentic to our community.

HOW TO GET INVOLVED?

Your participation is crucial to identifying a shared vision for Shakopee. As someone who lives, works, plays, or learns in Shakopee, sharing your ideas and experience is essential to understanding the needs of our community and shaping a community-driven vision for our future. Here are several ways to get involved:

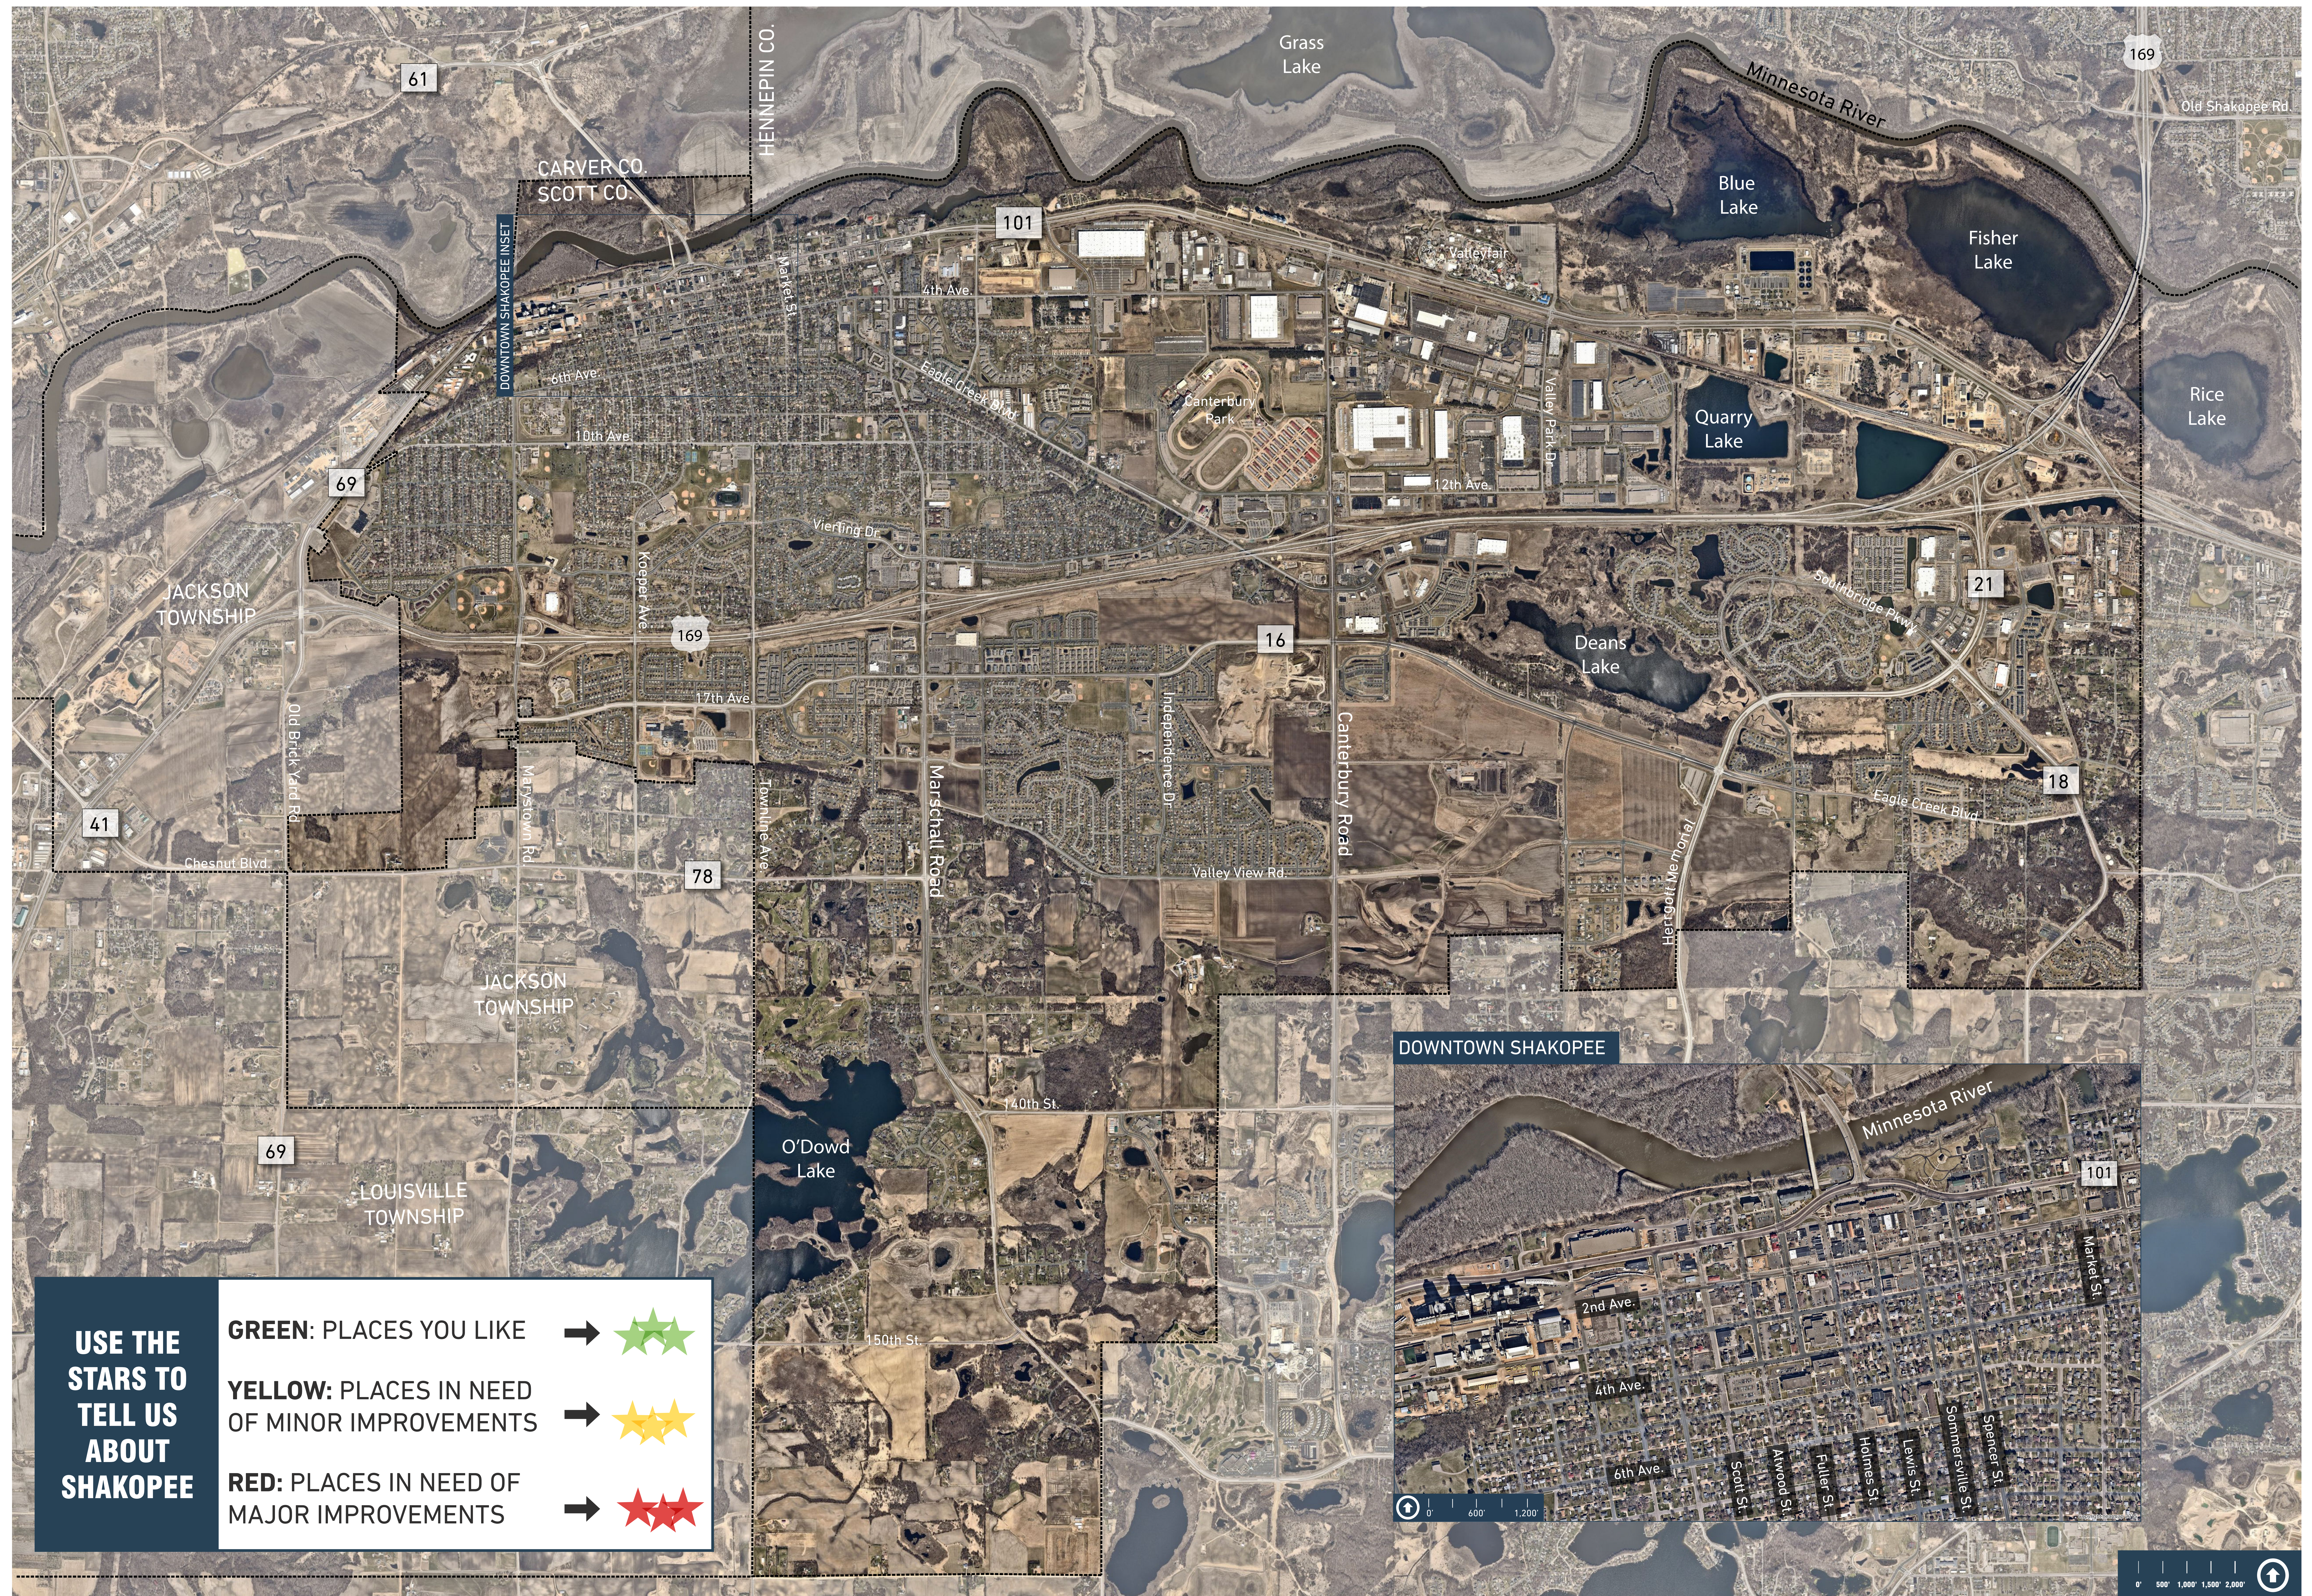

- ▶ Visit the website EnvisionShakopee.com, sign up for project updates, and check out the "Participate" section.
- ▶ Take-part in Envision Shakopee Community Workshops.
- ▶ Visit the city's booth at community events to follow the plan's progress and contribute to activities and conversations.
- ▶ Host a discussion or invite city staff to present to your neighborhood, business, organization or at your own community event.
